

BUFORA came into being on 25th January, 1964, and is an amalgamation of The BRITISH U.F.O. ASSOCIATION founded on 22nd September, 1962, and The LONDON U.F.O. RESEARCH ORGANISATION, founded on 11th July, 1959.

PERSONAL COLUMN IN "BUFORA JOURNAL & BULLETIN".

As a reader service, we are introducing a Personal Column to the Journal. It can be used for advertising personal articles for sale or wanted, such as books, magazines, optical instruments, etc., and also personal messages, ideas, meetings etc. The Personal Column is definitely not intended for Trade Advertisements, which are catered for elsewhere, please see details below.

The Cost is 3d. per word (minimum 3/-) prepaid. All small advertisements for this column should be sent direct to the Editor, Mr.C.A.Stickland, B.Sc., A.R.C.S., 22, Roseberry Street, London, S.E.16.

DISPLAY ADVERTISEMENTS IN "BUFORA JOURNAL & BULLETIN".

We have decided to accept trade and other display advertisements for the Journal, and these could in some measure lighten our heavy costs. If you know of anyone, or are yourself interested in advertising in the Journal, please write direct to The Publicity Officer, who will be pleased to send further details. The Publicity Officer's address is at the foot of the page.

REFERENCE LIBRARY AT HAMPSTEAD, NORTH LONDON

Members are invited to use The Association's Reference Library at 106, South Hill Park, London, N.W.3. South Hill Park is on the south side of Hampstead Heath and is near Hampstead Heath Railway Station. It is about twelve minutes walk from the nearest tube station, which is Belsize Park. The library is open for use between 4 p.m. and 6 p.m. on Saturday afternoons. It is normally reserved for the use of the Executive Committee on the last Saturday of each month. It contains a number of books in duplicate (kindly donated by members), which may be borrowed for a small deposit. As UFO books quickly become out of print and hard to replace, we ask all borrowers to return them within the stipulated time. It only wastes our time if we have to send you reminders. The library also contains numerous magazines from around the world, sighting reports and other files, which are available for examination, but may not be removed.

VOLUNTARY HELP

Have we any members who would be willing to help with typing? We are also looking for a lady who would be prepared to look after the tea or coffee at meetings in Kensington Library. The Editor is always pleased to hear from people willing to undertake occasional foreign language translations.

Equally important are donations made in kind. The Executive Committee would particularly like to thank those people, who have generously donated books and magazines to the library; also those people who have donated stationery, have given their valuable time for typing and other activities, without thought of personal reward. Special thanks are due to Dr.G.G.Doel, who generously supplies biscuits, tea and coffee for the London meetings, not of course forgetting those other people who have contributed in this way when called upon.
